THOUGHT FOR THE WEEK

How wonderful it is to look and smell any flower whose beauty you admire. Some of these flowers have an amazing look and smell that have attracted some clever inventors extracted the smells to create expensive perfumes. In the book of Psalm 103: 15-18 the Bible says, 'The life of mortals is like grass, they flourish like a flower of the field; the wind blows over it and it is gone, and its place remembers it no more.

But from everlasting to everlasting the Lord's love is with those who fear him, and his righteousness with their children's children—with those who keep his covenant and remember to obey his precepts.' So it doesn't matter what the devil throws at you are still a precious child of God. Your beauty will never be forgotten of Him who formed you after His image in His own likeness He created you and I. Gen. [1:27](#).

There is another conundrum. If a rose smells better than cabbage, it doesn't mean the rose can make a better stew. What is it then? If you feel like a cabbage, does it matter? No, you have a purpose to make good stew. Therefore always know this, you have your own strength, look for it and build on it. If you are a flower great praise God, and if you feel like a cabbage, it was created by God too, praise Him.

Another thought, all animals that exist, were in Noah's ark. A snail is one of them. If God could wait long enough for a snail to enter Noah's ark; His door of grace won't close till you reach your expected position in life. Never look down on yourself, keep looking up.

Remember that broken crayons can still colour.
