**WEEKLY THOUGHT**

**Glory to God and Peace on Earth**

On the night that baby Jesus was born, 2000 years ago, an angel choir appeared to shepherds and sang "**Glory to God in the highest and on earth peace, good will to men.**" Angels are messengers so those words represent God's message to human kind: give glory to God and then follow peace and goodwill.

When Jesus was older he gave His disciples the Lord's Prayer as an example of how to pray. Jesus' prayer begins with "Our Father, which art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven." This mirrors how the angels began their song - with Glory to God in the highest. Then the second part of the Lord's prayer - is about asking for forgiveness, forgiving others then avoiding temptation and deliverance from evil - a true recipe for bringing peace on Earth! - in a way mirroring the second part of the angel's song - on earth peace good will to men - if we could forgive and shun evil how peaceful society would become!

Thinking back to the experience of Moses and the Israelites at Mount Sinai - God's written message to human kind was the 10 commandments. Remarkably it is again very similar! The first 4 commandments - no other gods, no worshipping images, respect for His Name and for His Sabbath are about giving glory to God. The second 6 commandments - about respect for parents, property and spouses - then respect for life, truth telling and not craving others stuff - are all guidelines for peace and goodwill amongst humankind!

God doesn't change! His message has been the same throughout all ages! It's the same today! Give God the respect due to Him as our Creator and acknowledge this by observing His Sabbath. This opens the way to peace and good will as we emulate His character of love.
