THOUGHT FOR THE WEEK:

Sweeter Than Honey

AN AMAZING FACT: Honey is the only food that doesn’t spoil.

Honeybees collect a thin, sweet liquid called nectar. Nectar spoils easily, but once ripened into honey, it becomes a stable, high-density, high-energy food. Honey contains more than 20 complex sugars. Small amounts of other substances are also present in honey—flavoring materials, pigments, acids, and minerals—but sugar makes up the majority. This high sugar content is what prevents honey from spoiling. If not sealed in a comb or jar, honey absorbs moisture from the air and eventually crystallizes, but crystallized honey is still usable if melted back into a liquid.

Honey has many internal and external uses. It’s a short-term energy booster (although similar to refined sugar, it might come with a corresponding “carb crash”); it treats a sore throat; it enhances vitamin A absorption; it strengthens the colon; it helps remove parasites; local honey can help treat seasonal allergies; and some say a little honey every day even boosts the immune system. Externally, honey is valued in natural skincare as a moisturizer and acne fighter. Thanks to its antiseptic and antibacterial properties, honey helps clean and heal minor wounds.

Whether or not he knew the sweet substance’s complexities since revealed by modern science, David knew its value when he compared it to God’s law. God’s versatile law applies to every life situation you might find yourself in. And like honey, God’s law doesn’t go bad!

KEY BIBLE TEXTS

The fear of the LORD is clean, enduring for ever: the judgments of the LORD are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb. Psalms 19:9-

10Teach me, O LORD, the way of thy statutes; and I shall keep it unto the end. Psalms 119:33

ANNOUNCEMENTS

WELCOME: We are delighted to welcome you to Dundee Seventh-day Adventist Church; especially if this is your first visit. May our time together be blessed! We extend a warm invitation to all to join us for a bring-and-share meal immediately after the service.

MESSY CHURCH: Messy Church will take place on the 14th December, from 15.00 - 17.00. A slightly earlier time than normal this year due to other events happening. We need helpers for the meal preparation. Anyone that can help, please contact Cedrene or Pr Jimmy.

MEMBER CARE FUND: There will be coloured socks available on Sabbath 21st Dec. for you to place your special offering inside. The socks will then be hung on the money tree and will benefit local needy members. (Or you can give your donation to Brenya or Neil). Please give generously to this worthwhile cause.

FOODBANK APPEAL: Please be generous and donate some tins or tasty treats for the local Dundee Foodbank this winter. Everyone needs to eat to keep warm and stay healthy. So please spare a thought for the poorer ones in our community. The collection box for your donations of non-perishable food items is in the fellowship hall. Thank you for thinking of others this Christmas!
