THOUGHT FOR THE WEEK

Where was God?

Where was God when things went wrong?
That’s a never-ending song.
Where was God when things went well?
That’s a theme they undersell.

God’s in heaven day and night
Concerned about the human plight
He wants an end to sin and strife
A peaceful world and abundant life

God won’t compel, He doesn’t force,
He leaves the choice to you of course.
Go your own way in strength and pride
The outcome you must then abide

So human history’s one fell sweep
Of blackest deeds that make one weep
All done in the cause of selfish ambition
Blood and steel and useless attrition

God sent His Son to restore and heal
His rightful character to reveal
His life was innocent and pure
He loved all people rich and poor

He died on a cross to mend our wrong.
That’s where God was all along!
Joined with us in our suffering and woe
Redeeming us in the world below

So make your choice; God’s gift is free
New life, new hope for you and me
New harmony for the human race
For God is love and extends His Grace.

John Walton
